

# Blend Phonics

## Basic Blending Cards

Prepared by Donald L Potter

July 11, 2019

Mr. Potter prepared these cards to go with *Reading Made Easy with Blend Phonics for First Grade* and *Blend Phonics Lessons and Stories*. The cards are designed to help students automate beginning blends with sequential (cumulative) blending. The method features directional guidance, which helps prevent reversals in reading letters and words.

The cards are especially helpful children just beginning to sound-out words. I use them mainly with students in prekindergarten, kindergarten, and first grade,

Mr. Potter grants permission to reproduce and use these cards in any educational setting.
